Use the above websites to examine the parts of the ISS and complete the data table.

Part Name	Date/Mission Number	Country that built part	Purpose/Use
Zarya			
Unity			
Zvezda			

Z-1 Truss				
P-6 Truss				
Solar Array				
Destiny				
Leonardo Multi-purpose Module				
Robotic Arm Canadian and Raffaella Service Module				

Joint Airlock					
S-O Truss					
S-1 Truss					
P-1 Truss/ P-6 Solar Array					
P-3/P-4/ P-5 Trusses					
Habitation Module Harmony					

Columbus Module				
Kibo Laboratory and				
Kibo Exposed Laboratory				
Spare parts				
Tranquility Module				
Mini Research Module				
Express/ Robonaut2
